Middle Leader Certificate: Curriculum Design

Two year personal accreditation course for subject leaders

The Middle Leader Certificate is personal accreditation and is formed of two modules **Micro** and **Macro** which can be completed in any order. Participants meet their network at an online launch meeting and receive online support to develop new schemes of work and curriculum mapping, which they will teach. Each candidate has an experienced subject tutor to mentor and support them throughout the course.

Assessment is through peer interviews. Two modules are required to achieve the Certificate. Each module takes two terms to complete.

AIMS OF THE COURSE

- Consider coherence and challenge within your specialist subject curriculum
- Identify and respond to the conditions that impact on the learning process within your subject
- Create and deliver a challenging SoW in the Micro module and curriculum design in the Macro module
- Evidence and evaluate the outcome following delivery
